## Reviving the GWB-era American Apology shirt for the Trump era

我为我的总统的愚蠢而道歉。  
我没有投他的票。

Pido disculpas porque mi presidente  
es un idiota. No voté por él.

Извините что мой президент идиот.  
Я за него не голосовала.

I'm sorry my president's an idiot.  
I didn't vote for him.

أنا آسفة كون رئيسي أحمق، لكنني في الحقيقة لم أصوت له!

Désolée, mon président est un idiot.  
Je n'ai pas voté pour lui.

Remember the GW Bush years, when Americans abroad sported this tee: "I'm sorry my president is an idiot. I didn't vote for him" (with the message in five languages)?

It made more than \$10,000 in profit, which was donated to Doctors Without Borders.

It's back, and all profits go to the same charity.

## 24-hour sale: you can actually live stream from this nano drone

The JetJat Ultra Nano Drone claims to be unlike the average nano drone, and I thought it was worth trying out. These days, many nano drones tend to be too beginner friendly and offer little opportunity to evolve your flying skills. At first glance, the biggest difference between JetJat and most drones of this size is the quality camera. [...]
